Training Coordinator

We are looking for a new Training Co-coordinator to manage our Certificate and Diploma courses in Psychodynamic Counselling and to co-ordinate our expanding Continuing Professional Development Programme.

You will be responsible for the overall training and assessment of trainees and the recruitment and management of Training Staff.

You will work alongside the Counselling Coordinator and administrator as part of the management team of this small but expanding counselling centre and training organization.

The annual salary is currently being revised and the hours are between 6 hours per week.

Suitable applicants will be qualified psychoanalytic psychotherapist or psychodynamic counsellors in possession of good management and administrative skills.

For further information and a job description please contact [Liz Good](#), Counselling Coordinator on 020 8367 2333.
